Sub : Letter of Appreciation

Dear Mr. Singh,

On behalf of L&T Power, we would like to express our deep appreciation to the Institute of Happiness for delivering a Talk on “ Live Life Kingsize “.

Talk brought out the importance of being ‘Happy’ in Life and also high-lighted the advantages of leading a Happy Life. Our endeavor of facilitating our employees to explore new ways of thinking and adding meaning to their lives, seems to have been achieved through this session. All those who attended the talk appeared to be highly rejuvenated after the session, which has served the very purpose of organizing it.

Looking forward to having many more such impactful & fun-filled sessions in future.

Yours faithfully,

S. R. Kulkarni  
Head HR  
L&T Power,
